Tom - The only thing I actually know about my WILLIAM PAGE is what I put in my prior note. I feel sure he was father of my WILLIAM HENRY PAGE, born 10 Dec 1815 in KY. Wm Henry was in the 1840 Census living in Lexington, Fayette Co, KY with wife and five children: Charlton Sanders Page, America Morgan Page, Wm Robert Page, Elizabeth Hays Page, and Laura Ann Page. Does this ring any bells? Don

Don- All I can say about your group in KY is that they have the same conventional names as those in Goochland Co Va. i.e. William, Robert, Elizabeth, etc. However a David Sanders (Saunders) did marry into the Page family. This as well as all the Williams of the correct age may lead you to Goochland. If so then maybe I can help. My Pages that I have been able to trace start ca 1710 in VA and after three >>> generations married into the Hancock family. So have only ca 4-5 generations with data.

They seem to have left Goochland to go to SC, KY, etc. by 1810-1820. Some of the Williams had sons William of the correct age.

I will see what I have on KY but have made no effort to follow them. My Hancocks did go to KY and may still have Page relatives near by. Sorry. DBRG62A Bob Hopkins

Hi Lori-Ann--Just checked the PAGE surname for the first time, and there was your query about Moses as the first note still on the board. I descend from Moses's sister, Miriam, who m Sargent JEWELL, son of the 1st minister of Sandwich, NH, Rev Jacob JEWELL. I have a copy of "The Family of John PAGE of Haverhill, MA" Your line is Moses5, Jeremiah4, John3 Onesiphorus2, John1. Jeremiah m Molly FLANDERS. I have made 5-generation charts for each of them. She also descended from John1 PAGE. I can copy the charts for you and also the pages in the book which apply if you will send me your name and address by E-mail. Have you seen the History of Carroll Co. NH? Moses was awarded some land as the first while MALE child born in Sandwich. I believe that Miriam was probably born there a year or 2 earlier, but didn't get the land because she was a lowly female, and her birth went unrecorded. I would be interested to know what you have on Moses. Have you found any land or probate records for Jeremiah? Cousin RENA in Sacramento

His father is supposed to be Daniel Page who may have married Hannah Clark. His death certificate says he was born in Durham, Mass. I don't believe there is such a place and I have to assume they meant Durham NH unless Durham was at one time part of Mass. I have many newspaper clippings in Rochester NY stating that he was a well known inventor (of lime kilns I believe). When I was ten I could have talked to his daughter and found out more, but then I had never even heard of the word genealogy.

Bev, My interest lies in trying to find out the truth by pursuing all avenues of possibility given. My info, at present, comes from Dr RCM Page's "Genealogy of the Page Family in Virginia", and appears to be the same as that posted by Patricia. It is a GOOD resource book. Dr Page was very thorough. However, I found him to be a bit ostentatious plus have found several mistakes in his records. Don in KC

Bev,

Yes! I finally got my Page line out of early 1800 KY! It only took about 20 years!!

My comment about Dr Page comes from several inferences contained in his book. The most glaring claim is that he makes the unqualified claim that Col John Page was the "Progenitor of the Page Family in VA". I find that Col John was my ancestor, but that claim I have a hard time buying! I've done enough research on the Pages to know there were other Pages in VA that were not DESCENDED from Col John.

Regarding mistakes in his book, the only one I can recall off the top of my head is his mention of the lineage of the Burwell family (which happens to be another of my direct lines).

Please don't get me wrong. I DID say he was very thorough in his research, and I do feel his records of the Page descendants of Col John are, in most cases, correct though incomplete. I hasten to add, it was his book that opened my door out of KY - after 20 years of total frustration! He even names the John Page I was trying to get out of KY!! He does say, however, that this John Page "probably never married".... Actually he just left VA, with two of his brothers (that Dr Page said the same thing about), and Dr Page apparently didn't pursue the task of following up on them...

It's a good book, Bev, and if you're a Page descendant, I would recommend adding it to your collection. Hope this clarifies my previous post.

There's not much information I know about the PAGE family, as you can see by my enclosure, and I haven't done much research on this line.

Same, note g "Epitaphs etc; John Page notes in his will that his daughter Elizabeth5 Page 'will be 12 years of age, 4 Nov. 1714" and bequeaths to her money, "due her from the estate of Capt. Francis Page and Mrs. Elizabeth Page [mother] deceased". Elizabeth 5 married David Bray and died 5 Oct. 1734 at the age of 32 yrs. Although both were deceased by 1744, their interests in the Page estate are mentioned in the act docking the Page entail. John Page also named in his will his son John5 Page and notes he "will be 18 yrs of age, 22 Dec. 1717".

SUBJECT: PAGE ME & NH

Hi Judy--Wish I had more on the ME-NH PAGEs. Years ago I had traced my JEWELL line to Sargent of Clinton, ME in 1800. I figured from the "JEWELL Register" that he could be a grandson of Rev. Jacob of Sandwich, NH. In reply to my query in the Portland Sun (something), Harold Smith sent me a lot of V//Rs for New Sharon, which he ran across in researching a book on Mercer ME. I bought the book, but was disappointed in it because it had no genealogical section and only minimal mention of the JEWELLS. Later, in going through whatever I could find on the small towns in the area, I did find 2 PAGE brothers living in (I think) Belfast.

In my earlier note, I named the 3 children listed for Jeremiah 4.89, pg 31, in the book, "The Family of John Page of Haverhill, MA", by Case & Sanderson, Molly b 1761, Samuel b c 1769, and Moses b 26 May 1781. As you can see, there are some huge gaps when their children just weren't recorded. I believe that Moses was one of the 2 I found in Belfast? but I forgot the name of the other. I know that my Miriam was born just a year or 2 before Samuel probably at Sandwich. Samuel was the only one of Jeremiah's children who had his own listing. It says he operated a saw and grist mill in Waterford ME and lists 7 children including a Betsey who m Eli McDONALD. The 1810 or 1820 Censuses might help locate the area where there were PAGES.

Good luck,

Forget what I just said about Betty PAGE being more of an age to be a sister of Exolheath's. It's the end of a busy day for me and my mind skipped a beat! She could either be one of the older children of Exolheath or of Robert or a sister to both of them.

I know of no Goochland Co., VA. PAGE families who went to W.VA.. There was an offshoot of the Bedford Co., VA. PAGE bunch who went to Kanawha Co., W.VA.. There were also two PAGE men of Augusta Co., VA. (William and Charles). William was of an age to be your Sarah's father, but I do not know the names of his children. Charles was younger and he went to Lewisberg, W.VA.. These PAGES were from the more prominent PAGE families. Do you live anywhere near Charleston, W.VA.? If so, there is a wonderful collection of PAGE genealogies done by John W. Page in the W. VA. State Archives. Perhaps your answers lie there. Good Luck!

Bob,

I do not have any of my information on disks as yet so cannot send you anything that way. If you'll send me a pedigree chart showing your PAGE, HODGES and LEE lineages, I'll send you a listing of what abstracts I've made on these Goochland Co., Va. families.

I'm writing an article on these PAGE families which will be appearing in a Virginia genealogy magazine sometime in the (hopefully) next year. This will pull together all of my research on these families and trace their migrations.

As you can see from my note to Dorothy, I am trying to run down an M.D. Page, initials are all I have who allegedly came from Virginia, born around 1806. He was married to Fannie Lewis who was born in N.C., location unknown, in 1809. M.D. served in the Revolutionary War, according to his son, Benjamin Franklin Page, from the State of Virginia and later emigrated to the State of North Carolina. M.D. had two brothers not named, one moved to Florida; the second served in the war in Mexico, volunteering in Georgia. He was killed in that war. M.D. and Fannie had 12 children, seven boys and five girls. Benjamin was the tenth child, and sixth son, having been born in Hookerton, Green County, N.C. on 11/27/1843. Those who were living and moved to Florida were: Rebecca, William Thomas, Enoch Cob, James Lemuel, Mary Catherine, Sylvester, Benjamin Franklin, Elizabeth, born in N.C., and Samuel, born in Florida. They moved to Florida in 1847. M.D. was in the turpentine business and settled in north Florida in the Tallahassee area. Fannie died in 1848 and M.D. married Minty Ann Lewis. Ten children were born of that union.

Does this ring a bell with any of your info?

Kenneth- The Major Ryan & Molly page marriage was in Logan Co. Jesse Page, first husband of Molly was a brother of Leonard. They had sons Absolom & Pleasant (plus one other not on my mind). Pleasant at least returned from Goochland to Logan Co.

Joel who married Nancy Hancock (Hancocks & Pages were joined at the hip) took place in VA- Nancy was a d/o John in Fauquier Co (I think).

Thomas Hopkins was from Randolph Co NC, a son of my ggg-gf Dennis. They moved to Clarke Co GA & then Wayne Co KY.

Another I found was Christian Page married ---? Ryan in Goochland Co VA.

If dates are important I probably have them but all are early 1800's. DGBR62A Hopkins

Great!!

Dates would be great because my William B. Ryan was in Goochland about 1800-1818. Leonard was there until about 1810/1815. Do you trace your Page family back any farther than Goochland. I have an Elizabeth Page m. to Edward Diggs abt. 1640. They were in New Kent County Va. I haven't looked at this topic before so if you have already posted this information please forgive me. According to my data, Elizabeth Page was the daughter of Francis Page. b. 1593/1595 Bedfont, Middlesex, Eng. died 13 Oct 1678.

Any of this your family?

Ernest- I have goofed this exchange. I have a photocopy of a film made 12 years ago and it is very difficult to read. In addition I have a vision problem but let me tell you what I think I see. (I hope Ken is looking too.)

The will of James Thomas dated 14 Sep 1799, proved Goochland 21 Dec 1801.

He states he gives to his daughter POLLY THOMAS "the bed >> she "cols ?hirn", etc. He next mentions his "nece" INDEA Ozburn (OSBORNE ?), the "ares" of Sally Moreland my daughter (Sally married Thomas Moreland), son Richard. He then names wife, James Thomas, Nance Boles, Elizabeth HOGES, Indea Ozburn- no relationship mentioned. Says son Richard & Joseph Leake executors. Witnessed by Major Hancock, William James & Major Hancock Jr.

The will was proved & signed in 1801 by Leonard Page, Joel RYAN, Walter Leake.

This James seems to be the one who married Mary White and to be a son of James Thomas who was born ca 1726. >> I apologize for my error. Sometimes I am too helpful. DGBR62A Bob Hopkins

Does anyone know the name of the first wife of James PAGE of Monroe Co., Ky.? James was born ca. 1794-95 in Goochland Co., VA and md. his first wife (my ancestor) in Cumberland/now Monroe Co., Ky. ca. 1816-18. Five children were born to this union:

Mary Page - md. Fleming B. Harper  
John B. Page (mine) - md. Nancy Cox  
Anderson T. Page - md. Sarah Huffman  
Eliza Page - md. ----- Brown  
Martha Page - never md.

The middle name TANDY came down in my particular line of this family, but cannot be attributed to any other family except the PAGEs and not in that line before James Page and his 1st wife.

Cumberland Co., Ky. records show the marriage of a James Page and Sally Roice on 11 Aug 1816. This would be a date that would fit nicely for my James' first marriage. Does anyone know anything about this Sally Roice (Royse, Royce)?

There was a Solomon Royse in Adair Co. (next to Cumberland) at the time of the above marriage. Solomon's wife was Sally. She was the daughter of James Young of Cumberland Co.. Could Solomon and Sally Royse be the parents of the Sally in the above marriage record? And is the James Page, bridegroom mine?????

James Page md.2) Sally ? They had four more children:  
Malinda Page - md. ? Harper  
James Allen S. Page - md. Sarah Hensley  
Nancy M. Page - md. Francis M. Harper  
William D. Page

Hope someone can help on this.

Ernest,

Thanks very much for the info on Elizabeth Page! It's always good to hear from another researcher working on the same line. May I ask the source of your info? I would like to have that for my records, if possible. I was at the Texas Archives yesterday and found the book "Early Page Families" by John Buford Page 1989. He agrees that Francis Page was her father. As best as I can determine from this book, Richard Page and Frances Mudge were the parents of Francis. Richard's parents were John Page and Audrey Redding. Do you have any info to confirm any of this? I appreciate your help. Thanks,

Pat, our Page family went into Mercer CO., MO after leaving Ind. 1860 in Madison Township, 1870 in Ravina Township. 1880 same. After John's 2nd wife died he went to Oregon with son, Abram, where he died about 1902. If this sounds familiar, let me know. Regina, I have a Page line that goes to Giles Co. TN, I am not sure when as I don't have this information with me today. I have to come to my mothers house to use P, but I think it was about 1850. His name is Benjamin Nathan Page, before going there he was in Al. I don't have any information on his parents. Is there a connection perhaps?

Dear, Ms Strickland

Mrs. Smith at the George County Library, said you could possibly help me. I would like to know if you sell your books on family History ; such as "Who Married Whom - Jones County Mississippi". If so; Would you send me a list of the books you have written and the price of each one? I'm searching information on my family and would like to explore some of your books. I have a page out of "Who Married Whom - Jones County Mississippi". Page 108 lists 3 of my Great-GrandFathers and their families. I would be very interested in your "Source" for this information. Thanks for your time ! I'm looking forward to your response.

Thank you

register of claims. Simon Cumbest was the original claimant to a Spanish permit for 20 front and 40 depth or 800 arpents in feet on the Pascagoula River. By the register of claims it shows this land in 1803 was in cultivation. The property was surveyed by Joseph Collins, and issued by Joaquin Osorno 25 February 1805. In 1810 the same Joseph Collins made claim to this property.

LEGAL HEIRS OF SIMON CUMBEST!

Know all men by these presents, that we the undersigned, legal heirs and representatives of the Estate of Simon Cumbest, deceased, have made instituted and appointed and do hereby make, constitute and appoint A.E. Lewis our lawful agent and attorney to transact all business for us in the settlement of the land claim granted to the said SIMON CUMBEST, of which we are now owners and in possession, by inheritance as legal heirs of the aforesaid SIMON CUMBEST, it being claim no. 102.

I, Samuel Davis, Clerk of the probate court, in and for the County of Jackson, do hereby certify the foregoing to be a true and correct copy, from the original power of Attorney now on file, in my office, for record, and that the named WILSON PAGE, CATHERINE PAGE, MADLEIN W. GOFF, WILLIAM GOFF, ELIZABETH HUGHES and SARAH FAIRBANKS are all legal heirs of Simon Cumbest, deceased, given under my hand and seal of office this 11th day of September A.D. 1848.

Catherine Page and Madlein W. Goff, who acknowledged, separately and apart from their husbands, that they signed, sealed and delivered the foregoing Power of Attorney of conveyance, on the day and year therin mentioned, without any fear, threats or compulsions from their said husbands, as their Acts and Deeds. Given under my hand and seal the 20th day of September, A.D., 1847. Signed John R. Jones, J.P.J.C.

In Probate Court December Term 1847, the above named persons were proved to be the only legal heirs of Simon Cumbest, with the exception of one other included person, a son Simon A. Cumbest.

These documents were filed with Simon's claim papers in the National Archives and Records in Washington, D.C.

Notice there are no CUNNINGHAM heirs to Simon Cumbest. The reason being Catherine CUNNINGHAM married Wilson Page after the death of Francis Cunningham. Family record state that Simon and Elizabeth had a daughter named Nancy, who married a Wilson. This is in error. She was the daughter of Madlein Cumbest and husband, William Goff. See heirs of Madlein Cumbest Goff.

From the time Simon got the land on the Pascagoula River, some one was trying to take it away, but then that is not surprising since it was one of the most prized location

on the river front. Just what happened to the land is unknown, since the court houses have burned and burned the evidence as to who actually purchased or sold the Cumbest heirs to their rightful inheritance. One is for certain that Madlein Phoal Cumbest & daughter-in-law was a shrew and smart woman, and doubtful anyone outsmarted her.

"CUMBEST HEIR SELLS TO WM GOFF!"

The following is a copy of an old land deed that was saved among family history papers. It was record Book D page 162-3 at the Old Court House which burned. A portion will be used to show what happened to part of Simon's land.

An indenture was made the Third day of July in the year of our Lord one Thousand eight hundred and forty b Simon A. Cumbest of the County of Jackson and State of Mississippi of the one part and William Goff of the County and State of the second part.

Simon A. Cumbest for and in consideration of the sum of Three Hundred Dollars good and lawful money to him in paid by William Goff, granted, bargained, sold, released and confirmed unto the said William Goff and his heirs a certain parcel of land containing 80 acres more or less sitting and lying as follows to wit:

In the County and State aforesaid and on the Bayou River near the mouth in Township No 7 S, Range No 6 W, lying in section No 23 and 26 being lot No 2 in a tract made by order of the Probate Court of said County of estate of Simon Cumbest dec'd and by said division fell the said Simon A. Cumbest, one of the legal heirs of Cumbest.

Bounded on the East by land belonging to C.S. H. and J.H. Beardslee on the South by the estate of A. Ely, on the West by Sarah Fairbanks, and on the North by Lake, and surveyed by Thomas Rhodes, County Surveyor.

All of the land around Simon's property belonged to family members with the exception of Holland and Beard. It's possible they purchased the land from one of the heirs. Not only did Beardslee get a portion of Simon's land, he changed the name of the Lake from Cumbest to Beardslee.

"CUMBEST HEIRS SELLS TO GRIFFINS AND DANTZLER"

The following is a deed from the heirs of John Cumbest. This property was part of the land that belonged to Cumbest. It does not mention John received it as his inheritance from his father's estate.

Know all men by these presents that we Mary M. Cumbest, John H. Cumbest, William H. Myers and Mary M. Myers
